## III. Assessment of the applicant's international recognition

### 1. Assess the international context of the applicant's published publications:

- ☒ The applicant's publication outputs are important in an international context
- ☐ The applicant's publications are not important in an international context

### 2. Assess the applicant's participation in foreign conferences and congresses in the field of his / her scientific and pedagogical activities:

- ☒ The applicant participates in foreign conferences and congresses in the field of his / her scientific and pedagogical activities

- ☐ The applicant does not participate in foreign conferences and congresses in the field of his / her scientific and pedagogical activities
- ☐ I have no relevant information

**3. Assess the knowledge of the results of the applicant's research activities abroad:**

- ☒ The applicant's research results are also known abroad
- ☐ The applicant's research results are not known abroad
- ☐ I have no relevant information

**4. Assess the knowledge of the results of the applicant's pedagogical activities abroad:**

- ☒ The results of the applicant's pedagogical activities are also known abroad
- ☐ The results of the applicant's pedagogical activities are not known abroad

☐ , 'rlciv'E: rrD T'f!t!vc:ifl\ ;,rtitl1TTT'Eiúr.lf!

**Fina/eva/uation:**

- ☒ the applicant meets the requirements for working as a professor in an international context
- ☐ the applicant does not meet the requirements for working as a professor in an international context

**Short reasoning:**

Kristián Csach is a leading expert in commercial law. His works, focused mainly on the law of corporations and other entities and on the law of obligations, have a foreign overlap. Kristián Csach presents his professional output in the professional press and at international conferences not only in Slovakia, but also in the Czech Republic and other countries. His works are beneficial for the development of the field and the professional public follows his conclusions with interest. I fully recommend his appointment as a professor.
